FRIDAY, DECEMBER 28, 1894.

An amendment to the Texas constitution has been voted in, authorizing the Legislature to expend any sum up to \$100,000 a year in aid of a home for confederate soldiers and sailors.

The Eastern Kentucky Democrat is thus far one of the newest papers ever issued in this part of the State. Volume one, number one, reached us two weeks ago. It is published at Greenup, with Mr. R. E. Wilson as editor.

Carlise has declined to permit the use of his name as a candidate for United States Senator. He said he expected to take part in the campaign in Kentucky next year, but it would be with the distinct understanding that he is not an aspirant for any office.

Every Republican in the United States Senate voted last week against taking the tax off of sugar, as did also every Populist Senator. The only two Senators calling themselves Democrats who voted that way were the two Louisiana members, whose people are supposed to get some of the benefit of the tax. Remember these facts, please.

The Martin County Gazette (Republican) says:

"The candidacy of Mr. Jeff Newberry for Register of the Land Office is meeting with generous approval everywhere, and it now seems apparent that he will have a walk-over for the nomination. Democrats and Republicans in this end of the State are his friends and he could poll 2,000 more votes in this Congressional District than any other man whom the Democratic party could name."

The State Prison.

The following is from the report of the penitentiary for 1894:

In confinement Nov. 30, 1894, 1,156. The prison population increased during the year 55. Being equivalent to 5 per cent. increase. Of the 1,156 in confinement, 133 are serving life sentence. Of the 561 convicts received, from Sheriff, 1-5 of them were under 20 years of age, more than 1-2 were under 25 years of age and 4-5 of them were under 30 years of age when received. Of the 561 received only one claimed to have a good education, and 234 had a common education, and 826 had none. Of the 561 received 429 claimed to have been drunk when they committed the crimes for which they were sent up, and 132 claimed to have been sober at the time. Of the 561 received, 384 gave their occupations as laborers.

The fact that Hon. T. H. Paynter will not resign his seat in Congress until January 5th, two days before entering upon the duties of Judge of the Court of Appeals, has brought forth some unfavorable comment from some of the newspapers who are not acquainted with the situation, or who simply want an excuse for making unkind remarks. The fact is that Mr. Paynter was petitioned from many sources to not resign before the November election and, the same constituents desired just the course he pursued. It would cost \$6,000 to hold a special election, to say nothing of the labor and the canvass. Then it would require thirty days for the man who was elected to secure his certificate and get to Washington ready for work. Add to this the time necessarily taken in calling and holding the election and how much of the short session is there left for the district to get its money back through the service of an inexperienced, \$6,000 Congressman? Mr. Paynter is certainly not holding on for the paltry sum of the salary of a month of two, as some have insinuated.

He has paid no attention to these criticisms, so far as we know, but knowing that he has acted in accordance with the wishes of a very large constituency, we make this statement in justice to him.

LITTLE BLAINE.

School in District No. 25, has closed, and we take pleasure in saying that we have never had a better school taught in our District. And if there was anyone that was not well pleased with the school we have no knowledge of it. Mr. S. K. Holton is a Christian gentleman and knows how to govern a school, and himself too. We hope he will come back and teach our next school. He treated the children well during the term, and he also treated them the last day. We are satisfied their hearts were all full when he was about to take his leave, and we know their hands and pockets were well filled for we saw the candy.

Come again Mr. Holton.

FOUR SISTERS AND ONE BROTHER.

And now they seem to be bending over me.

They whisper words of cheer, Though their forms are not visible, I feel their presence near.

Obituary.

On Wednesday evening Dec. 19, at the home of her parents at Buchanan Ky., Miss Cora Turman quietly passed from this life to join her sister and friends in the home beyond.

Cora was a bright and beautiful young girl of sixteen summers and was loved by all who knew her.

All that tender home love could devise or suggest was laid as a loving tribute at her feet, that her departure might be delayed to the latest possible moment.

There certainly remains to the afflicted family the sweet consciousness of having done all they could in her behalf and her death fills every heart in Sunday School with sorrow.

She is gone but not forgotten. In that land so bright and fair, All her friends and loving kindred, Soon will meet her Cora there. Only just beyond the river, Only just a step across,

For the loving tender parents, She will watch and pray and wait, For her brothers and relations, She will meet them at the gate, Hand in hand they'll walk together,

Down the streets all paved with gold, Brothers, sisters, father and mother, Safe within the Saviour's fold.
